Multiparameter
Monitor

Cardell® Touch

Accuracy and reliability at your fingertips.

Midmark has designed the precision and consistency you expect from the Cardell® name into a fast, light, and intuitive touch screen vital signs monitor.

Above all, an anesthesia monitor should be safe, reliable and user friendly. The Cardell® Touch is designed to be highly advanced, yet easy to use. With veterinary-specific algorithms and exclusive Cardell® Blood Pressure Technology, the Touch is the latest innovation from the most trusted name in veterinary vital signs monitoring.

- 10.5" touch screen makes patient set up faster and easier or use the traditional-style buttons located below the screen
- Redesigned menus and improved controls are designed to allow for intuitive navigation
- Smaller, lighter form factor allows for easier transportation without sacrificing visibility
- Cardell® blood pressure technology, Nellcor® SpO₂, and upgrade to CO₂ monitoring at any time by adding a Masimo IRMA™ mainstream or ISA™ sidestream CO₂ module
- Masimo™ multigas available
- Enhanced ECG data export capabilities
- USB port for downloading patient data
- Customizable alarm settings for up to three users
- Optional integrated 3-channel graphical printer
- 2-year warranty
