## UXR **DIGITAL IMAGING** SOLUTIONS

UXR's turnkey **Direct Radiography Solutions** seamlessly combine advanced image acquisition software, cutting-edge computer hardware, and high-resolution Cesium detectors to deliver **unmatched performance**.

**Superior Image Quality** : Industry-leading image clarity with lowest dose of radiation.

**Flexible Configurations** : Choose between HD/wired or high-performance SHD/wireless.

**Streamlined Workflow** : Optimized for efficient veterinary X-Ray imaging processes.

**Versatile Solutions** : Ideal for retrofitting existing X-Ray systems or deploying new X-Ray solutions.

**Seamless Integration** : Supports integration with compatible Practice Management Software.

**Multilingual** : Software available in English and French.

**Reliable Support** : Includes a 2-year standard warranty with comprehensive training and remote assistance.

**Option** : Extended 5-year warranty and remote support.

# UXR DENTAL SOLUTIONS

## UXR **INTRAORAL IMAGING** SOLUTIONS

BY THE VETERINARY IMAGING EXPERTS IN CANADA 🇨🇦 SINCE 1949

UXR's **Intraoral Imaging Solutions** combine ultra-low dose/high resolution, intra-oral DR sensors and computer hardware with advanced veterinary acquisition software.

**Choice of Sizes** : Available in sensor size 2 (regular) and size 1 (small).

**Flexible Reporting** : Easily generate examination reports.

**Multilingual** : Software available in English and French.

**Streamlined Workflow** : Optimized for efficient veterinary X-Ray imaging processes.

**Seamless Integration** : Supports integration with compatible Practice Management Software.

**Ergonomic Design** : Ultra-thin kevlar housing, smooth edges, rounded corners, and reinforced flexible cable.

**Reliable Support** : Includes a 2-year limited warranty with comprehensive training and remote assistance.

# CLINICAL-GRADE CABINETRY

LET US HELP YOU CREATE AN INVITING SPACE BUILT TO LAST

## BUILT TO LAST

Midmark Synthesis® cabinetry is designed specifically for the rigors of the veterinary environment. Crafted using durable materials, assembly and finishes, these cabinets can withstand moisture, stringent cleaning and constant use for decades of usability with a lasting like-new appearance to maximize your investment.

## DESIGNED FOR BETTER CARE

Asepsis-friendly surfaces and design features like rounded interior drawer corners, seamless panels and antimicrobial handle options support infection prevention. The variety of layout, organization and finish options can enhance your unique style while improving clinical workflow and ergonomics for a better point of care experience.

## QUALITY YOU CAN TRUST

Invest confidently knowing Midmark has your back. As of January 1, 2025, all Midmark cabinetry comes with a 10-year limited warranty—one of the longest veterinary cabinetry warranties on the market.
